

42.742 Duties of Geographic Information Advisory Council.

- (1) The Geographic Information Advisory Council's duties shall include the following:
 - (a) Recommending the development and adoption of policies and procedures related to geographic information and geographic information systems;
 - (b) Providing input and recommendations for the development of a strategy for the maintenance and funding of a statewide base map and geographic information system;
 - (c) Recommending standards on geographic information and geographic information systems for inclusion in the statewide architecture;
 - (d) Contributing to the development and delivery of a statewide geographic information plan;
 - (e) Overseeing the development of operating policies and procedures for the management of the council and any standing or ad hoc committees and associated advisory groups; and
 - (f) Promoting collaboration and the sharing of data and data development, as well as other aspects of geographic information systems.
- (2) The Division of Enterprise Portfolios shall provide necessary staff support services to the council. All cabinets, departments, divisions, agencies, and officers of the Commonwealth shall furnish the council necessary assistance, resources, information, records, or advice as it may require to fulfill its duties.

Effective: July 14, 2018
